20 Because Defendants refuse to stipulate to Plaintiffs first request and and the opposition to
21 Defendants motions would be due in less than seven days, Plaintiff respectfully requests that Court
22 review this matter at its’ earliest convenience. Plaintiff provided a copy of the request to Defense
23 Counsel over the Weekend, but defense counsel are unwilling to grant any extension of time. The
24 Sheriff has gone so far as to combine both of his documents in an effort to hamper Plaintiffs request
25 for more time to address the issues raised by the motion, but this should not impede the flow of
26 justice, and increase the work necessary by both Counsel and the Court.
